

How to separate and put the rubbish out

* For parts that do not have the collection date, please look at the collection schedule and write the correct day of the week.

- ☆ You must put the rubbish out in the designated area on the day of garbage pickup before 8 a.m.
- ☆ Even if the day of garbage pickup is on a national holiday or any other kind of special holiday, there still will be garbage pickup. (Make sure you do not bring your trash directly to the garbage sanitary center.)
- ☆ Please write your name on the designated plastic bag for garbage.

area	Container	Collection days	category	Item name	How to dispose

● Things that can be disposed

○ About the recycling of old clothes and cloths

Old clothes and cloth can be recycled and classified under used clothes. Those who want to help should wash and dry them before bringing them to the sanitary center.

Things that can be recycled
Clothes, hats(except straw hats and paper hats), socks, ties, underwear, curtains, blanket, sheet, towels, leather products, bags
Things that cannot be recycled
Clothes that have mud, oil or paint, rugs, foot towel, toilet cover, shoes, sandals, slippers, electric blankets, blanket, mattresses, pillows, raincoats, mats, floor cushions or mats, pet towels and blankets, cloths left over from tailoring, waste not from households (e.g. large numbers of uniforms from a company)

● Things that cannot be brought to the sanitary center

Specific household products [TV, air conditioner, washing machine/dryer, refrigerator/freezer]

Please inquire at the store that you bought the product from (recycling fee and collection/transportation fee required), or bring it directly to an authorized company. (Recycling fee required)

※Example of an authorized company: Ubukata Resources Inc.

Address: Numatashi Yakataharamachi 2113 ☎0278-22-5555

Inquiries: Home appliances recycle center ☎0120-31-9640 <http://www.rkc.aeha.or.jp>

If the above mentioned business cannot dispose the waste, the sanitary center will relay it to an authorized company. Please deposit the recycling fee at the post office and bring it directly to the sanitary center like in the case of recycling home appliances. (Transport commission: 1500 for each waste)

※not applied to disassembled objects.

Computers (monitor included)

Please inform the manufacturing company for it to be collected.
